CF Galleries d'Anjou is the dominant fashion destination in the city's east-end. This one million sq. ft. centre boasts a selection of 175 best in class retailers. Located at the intersection of Highways 40 and 25, it is accessible from all parts of the Greater Montreal Area. CF Galleries D'Anjou outperforms the competition by over \$80 per sq. ft., and sales have grown 6% over the last year. This growth can, in part, be attributed to Cadillac Fairview's recent investment of \$86 million in the property. This major expansion and redevelopment project provides the stimulus for the rejuvenation of retail in the eastern sector of the city and will further secure CF Galleries D'Anjou's position as the shopping destination for East End Montreal and the surrounding region.
